

ITP CPD Visit to Maritime Services Training Institute (MSTI)

Maritime Services Training Institute (“MSTI”) of the Vocational Training Council, established in 1988, has been offering a series of corporate training for personnel who are engaged in marine-related and shore-based industries. To assure the quality of its training and to meet international requirements for maritime education and training institute, the MSTI has developed its Quality Management System (QMS) and implemented it since 1998.
