「百日郵輪學習之旅分享會」
1 CPD Hour

Life is a learning journey. We learn through studying, working, playing and serving. Traveling is also a learning experience that can widen our scope, reaching out to explore the undiscovered horizons and dreams of one's life.

It is our pleasure to invite Sam Ying, who has just completed his global voyage on a boat trip, to conduct a sharing session of his learning experience during the tour. His talk will highlight some of the exciting sightseeing experience of the 25 countries that he had visited. More interestingly as a trainer, he will talk about the learning activities on board, including:

- ✧ **Academic programs such as child development, degree course, youth development programs.**
- ✧ **Talks by invited professionals about people, history, culture, politics, religion and nature.**
- ✧ **Talks by VIP speakers on Peace and War, Environmental Protection.**
- ✧ **Talks by guests on social and cultural topics such as dance, music, painting and calligraphy.**
- ✧ **Developing friendship with people of various nations.**

Sam Ying, one of our Executive Committee's members, is an active life-long learner. He previously worked at the Management Development Centre of the Vocational Training Council and currently the leader of our Certified Trainer Scheme.
