

“Free Tour to SmarTone 5G LAB”

[1 CPD Hour]

SmarTone 5G LAB is located at the highest indoor observation deck of Sky100. It gives you a chance to experience various 5G applications while enjoying the 360° views of the Hong Kong skyline.

5G LAB consists of multiple exhibition zones occupying about 5,000 square feet. From smart homes, Artificial Intelligence (AI) recognition, industrial safety devices to ultra-smooth e-Learning, it demonstrates a profusion of 5G applications with photo-worthy hotspots and exciting 5G experiences. This is the spot for technology lovers to explore new and innovative applications.
