

## **ITP Continuous Development Visit to Hongkong Post** (1.5 CPD Hours)

Hongkong Post was established in 1841 and has a long history of serving the community of Hong Kong. Since operating as a Trading Fund in 1995, Hongkong Post has managed to reinvent itself as a dynamic, customer-focused and market-oriented service organization. They have grown beyond the traditional postal service to providing a wide and comprehensive range of services in the logistics supply chain. In 2013, Hongkong Post was honored as "Manpower Developer" at the 4th "ERB Manpower Developer Award Scheme", in recognition of their outstanding achievement in training and development.
