

## ITP Spring Hiking Mar 2026(錦上新春行大運)

The 2026 Spring Hiking activity will take participants through a scenic countryside route from Kam Sheung Road 錦上路 to several beautiful and eco-friendly destinations in the Ho Pui Reservoir area (河背水塘範圍).

**Route Overview:** The hike will begin at Kam Sheung Road (錦上路) MTR Station, where participants will take a short taxi ride to Ho Pui Village (河背村). From there, we will visit Ho Pui Farm 河背農圃 (香港有機生活發展基金), an eco-friendly farm promoting organic living. The route continues on foot to Ho Pui Campsite (河背營地) before exploring The HKFYG Organic Farm (香港青年協會賽馬會有機農莊) to learn more about sustainable agriculture. Next, we will walk towards Ho Pui Reservoir (河背水塘) and follow the scenic Ho Pui Family Trail (河背水塘家樂徑), enjoying the lush greenery along the way. We will make a short rest stop at mini Bamboo forest (小竹林) before looping back to Ho Pui Reservoir (河背水塘). If time permits, we will conclude the hike with a visit to the refreshing Ho Pui Waterfall (河背瀑布). Finally, we will return to Ho Pui Village (河背村) and take the green mini-bus to Yuen Long for a well-deserved lunch.

新春行大運，錦上開步走；遊河背桃源，賞水塘幽徑。竹林洗滌靜，瀑布潺潺樂；心遊山水間，人順福氣臨。

**Participants:** ITP Members, ITP mentees, and their family members are most welcome to join this enjoyable spring outing and nature experience.

**Learning session during the journey:** Participants are invited to download and install the MyMapHK app (official Hong Kong mapping app) and the iNat Classic app (for recording and identifying biodiversity observations) on their mobile phones before the hike.
