ITP Continuous Development
Sharing Session on VR & AI Applications
(1.5 CPD Hour)

We are pleased to announce that the Institute will organize a sharing session on artificial intelligence (AI) and virtual reality (VR) applications in the field of human resources and training. A representative from Hong Yip Service Company Limited will share the successful experience in adopting AI analytics platform and VR applications in the talent management and simulated trainings of the company. The sharing session will also show participants that AI interview online platform, VR applications and innovations are incorporated in the curriculum of higher diploma programmes to equip students with emerging knowledge and skills for their future jobs in human resources and training.

Details are as follows:

- Date:** April 28, 2023 (Friday)
Time: 3:30 p.m. – 5:00 p.m.
Venue: Human Resources Assessment Centre, Room 374, 3/F,
Hong Kong Institute of Vocational Education (Kwun Tong)
Speaker: Pius Lam, Project and Program Development Manager, Hong Yip
Service Company Limited; Connie Ho, Lecturer, Department of
