

Training Practices in the Fast-Food Restaurant Industry

「速食餐飲業中的培訓措施」

1 CPD Hour

Imagine you are delivering the motivation theory to a group of chefs in the training room. What is the best approach in enhancing the most effective learning outcomes?

Training practices can be quite different within different training contexts. The uniqueness of fast food restaurant industry may imply the use of different approaches in training. In this sharing session, Don would like to share some effective training tips as follows:

- ✧ Generic approach to the training practices
- ✧ Adopting Qualification Framework to ensure sustainability
- ✧ Training to boost up the company performance
- ✧ Training technology to re-shape the industry landscape
- ✧ Training implications in fast food industry

Don Chan, one of our Executive Committee's members has been working as an in-house training and development practitioner for more than 10 years in various sizable companies. He is experienced in coaching individuals, designing and delivering training interventions, optimizing the performance management and talent management mechanism.
