ITP Continuous Development
Virtual Tour to Sino Inno Lab
(1 CPD Hour)

We are pleased to announce that the Institute will organize a virtual tour to Sino Inno Lab. With the disruptive transformation in the market in recent years, many companies set up their own Inno Lab to help foster innovation and execute its strategy. As one of the major property developers in Hong Kong, Sino Group set up its Sino Inno Lab in 2018, to support Hong Kong's innovation & technology ecosystem by providing a sandbox platform for start-ups, inventors and technology companies from Hong Kong and overseas to test out their innovations for applications in property technology (PropTech).

The Lab showcases diverse, cutting-edge, innovative products and solutions that can be applied to hotels, residences, shopping malls, property management and construction to enhance services, enrich customers' experience, improve efficiency and explore new opportunities in smart living, creating a smarter community.

Details are as follows:

Rundown:

- Virtual tour to Sino Inno Lab :
 - **Hotel Guest Room Zone** with tech retrofitted to enhance user experience;
 - **Residential Apartment Zone** on trial of projection mapping solution/ marketing tool for interior design;
 - **Green and Sustainable Zone** on trial of filtration/sanitization tech, upcycling tech and indoor farming;
 - **AI and Robotic Zone** for virtual AI gym coach for personal training, a range of robotics application for disinfection, customer service, delivery and patrol, etc.
