

ITP Continuous Development Visit to Hong Kong Wetland Park Education Section – Volunteer Training Programme (3 CPD Hours)

Dear Members,

Hong Kong Wetland Park Volunteer Training Programme was established in 2002. While comparing to those commercial firms or governmental organizations, the source of trainees is unstable and the turnover rate is high. It is challenging to design a Volunteer Training Programme which can be sustainable and attractive. The Wetland Park Education Section has received more than thousands of individual volunteer applications.

If you wish to know more about this Volunteer Scheme, to meet new friends and to touch the nature at the same time, come and join our visit. You will experience an enjoyable time.
